

Shut The Gate Wines is the latest wine adventure from the Clare Valley's Rasa Fabian and Richard Woods. Their new wine reflects their passion for targeting small parcels of individual vineyard fruit that display expressive and unique flavour profiles. The portfolio while Clare Valley centric also features "gypsy wines" from emerging premium regions.

This new range highlights the purity of the famous Clare Valley Rieslings alongside the elegance and power of Clare Valley Shiraz. Shut The Gate Wines are full of character, flavour and curiosity.
